

BNLS WAGYU BEEF STRIP LOIN 0X1

ROSEWOOD RANCHES
WAGYU BEEF ★ ENNIS, TX

Cut from the short loin and trimmed to the classic 0x1 specification, the Boneless Wagyu Strip Loin is the embodiment of balance, clean, structured lines paired with deeply marbled richness. Its firm yet tender texture holds beautifully under high heat, creating a crisp, caramelized crust that gives way to a buttery, umami-laced interior. Ideal for chefs seeking consistency, elegance, and elevated flavor expression.
